

13th European Quality Assurance Forum

Broadening the scope of QA

Hosted by WU (Vienna University of Economics and Business) and AQ Austria, Vienna, Austria

15 – 17 November 2018

Good to know

Language

The official language of the Forum is English. No simultaneous translation will be provided.

Weather

November in Austria is likely to be cold, with few hours of sunshine, so remember to pack warm clothing. For the weather forecast of Vienna, click [here](#).

Emergency telephone numbers

Please dial 112 for any emergency. You can also call 122 for the fire service, 144 for the ambulance service and 133 for the police.

Twitter

If you would like to tweet about the event or follow the discussions on Twitter, use the hashtag #EQAF.

Photography

Please note that photos will be taken during the event and may be used by the organisers and host for publications and websites. Should you be opposed to your picture being used in this way, please contact the photographer or the organisers onsite.

Voltage

Electricity in through Austria is supplied a 230 Volts 50 Hz system. Austria uses the Europlug (CEE 7/16), which is used in most other European countries. Visitors from the following European countries will have to use an adapter: Italy, United Kingdom, Ireland, Cyprus, Malta, Switzerland, Liechtenstein, Denmark. Visitors from outside Europe will also need an adapter to use their electrical appliances in Austria.

Visa requirement

EU citizens do not need a visa and can travel into Austria on either a passport or an ID card. Non-EU citizens are advised to check the requirements on the [government website](#).
