

# THE ITALIAN NETWORK OF UNIVERSITIES FOR SUSTAINABLE DEVELOPMENT

**ENRICO GIOVANNINI**

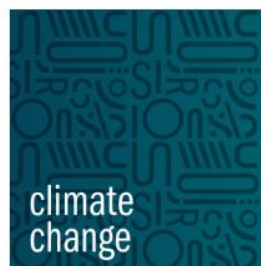

*University of Rome «Tor Vergata» and Italian Alliance for Sustainable Development (ASviS)*

# THE NETWORK OF UNIVERSITIES FOR SUSTAINABLE DEVELOPMENT

Officially established in 2016 by CRUI *the Italian Conference of Rectors* but working since **2013** through bottom-up approach

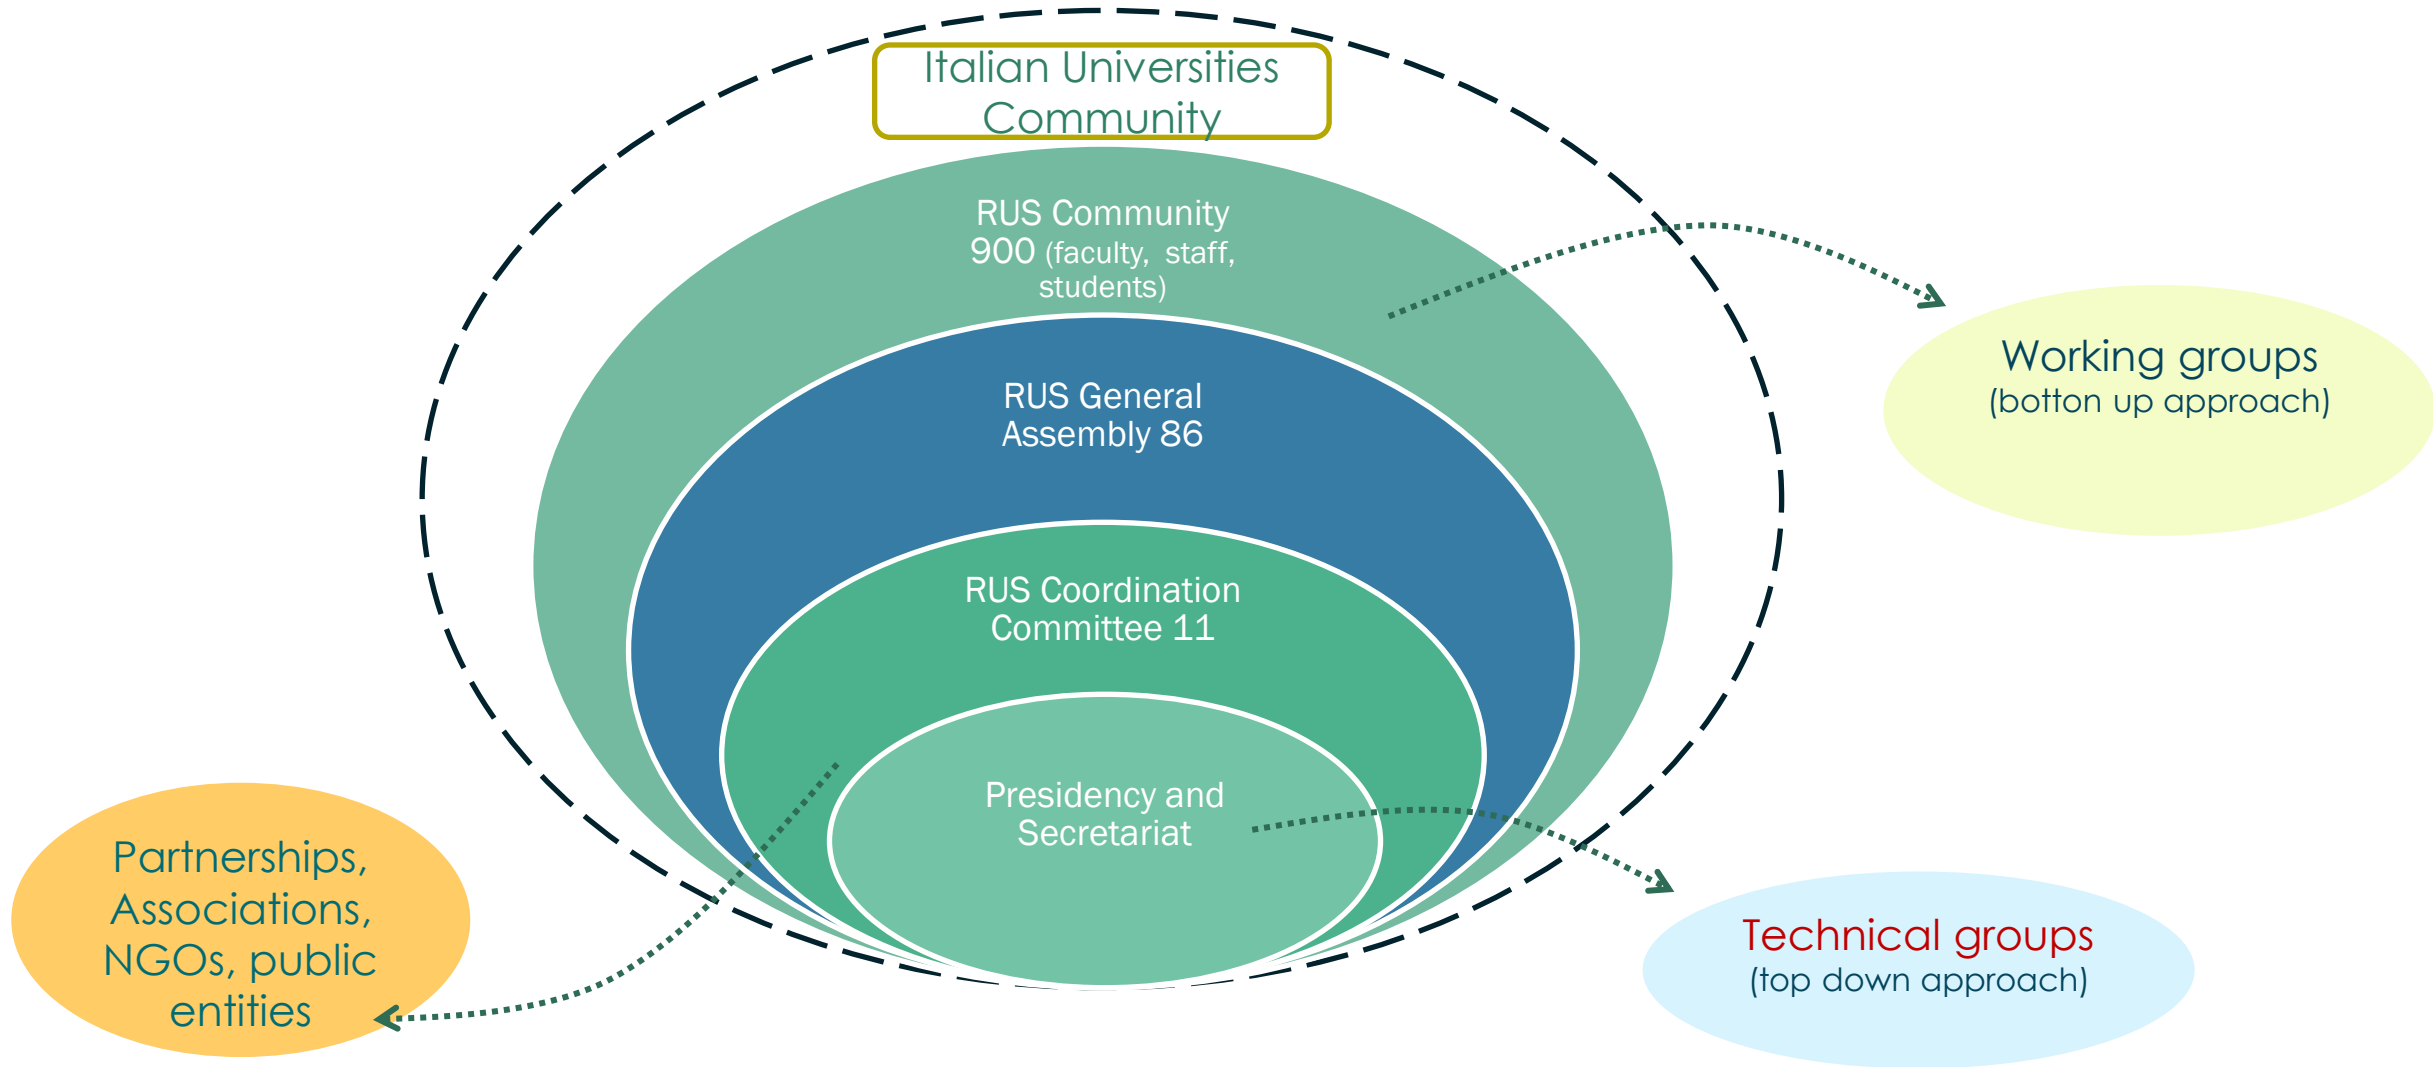

## Thematic Working Groups

## Technical groups

# NETWORK GOVERNANCE

# COMMUNITIES OF PRACTICE

## What?

Guidelines (e.g. decarbonization guidelines, etc.)

Surveys

Best practices

Conference and seminars

Collaboration with associations and public entities

## Who?

Coordinator/s

Support to the coordinator/s

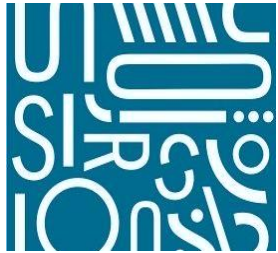

University representatives (average: 60 universities/WG)

## When and where?

Periodic meetings

Mostly online

# TECHNICAL GROUPS

## CARRYING CAPACITY AND GOOD PRACTICE

### What?

Guidelines (e.g. decarbonization guidelines, etc.)  
Surveys  
Best practices  
Conference and seminars  
Collaboration with associations and public entities

## STUDENTS HUBS

### Who?

Coordinator/s  
Support to the coordinator/s  
University representatives (average: 60 universities/WG)

## GREEN JOBS OBSERVATORY

### When and where?

Periodic meetings  
Mostly online

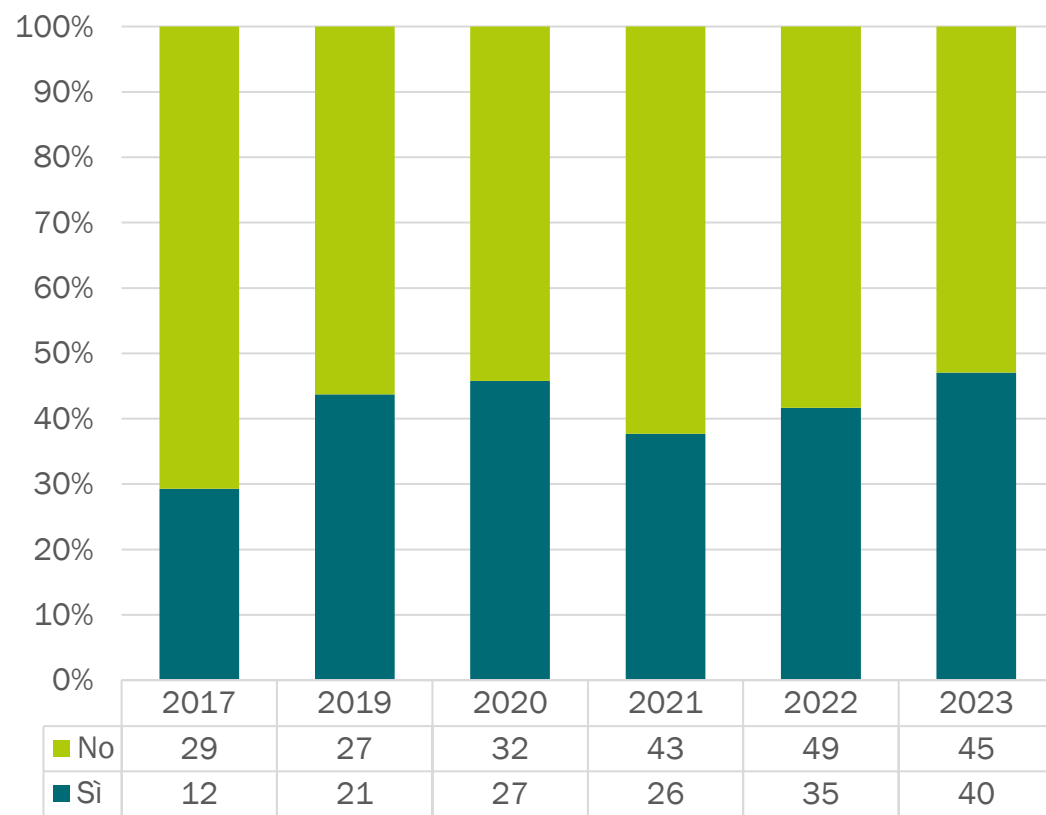

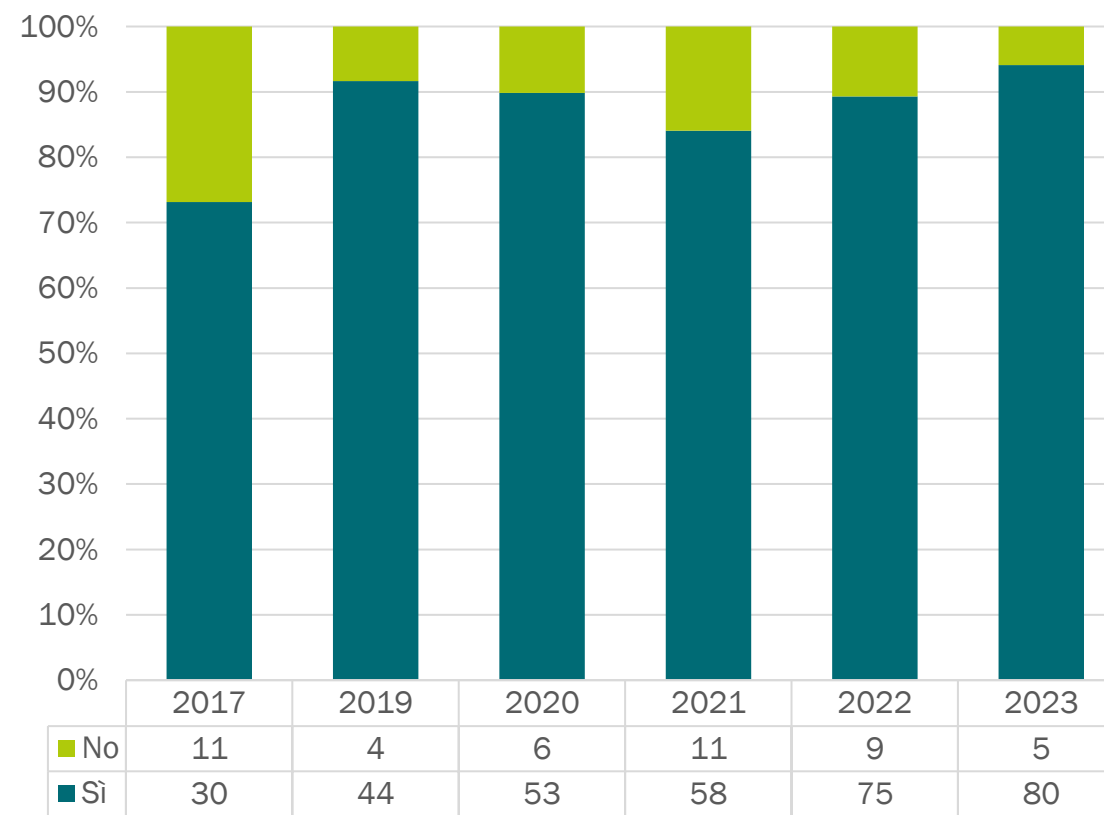

## **SIGNATURE OF RECTORS' MANIFESTO ON IMPLEMENTING SUSTAINABLE DEVELOPMENT**

# SOME EVIDENCE OF THE RESULTS OBTAINED

Are the principles of sustainable development mentioned in the University Statute?

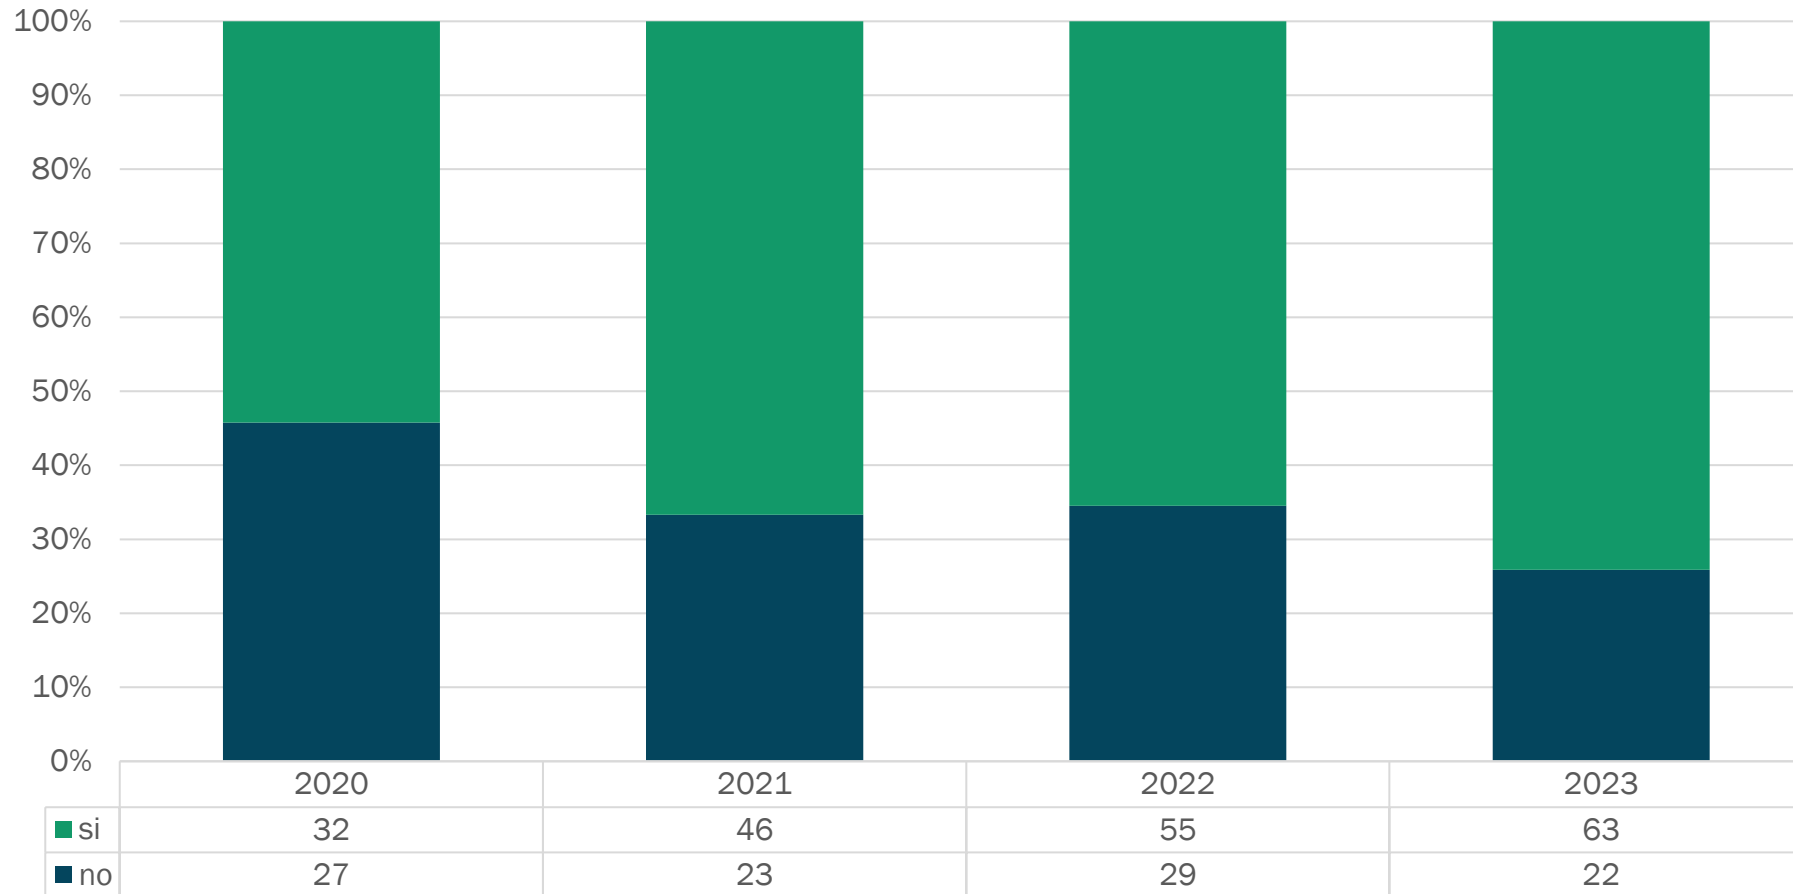

Are the principles of sustainable development present in the University's Strategic Plan

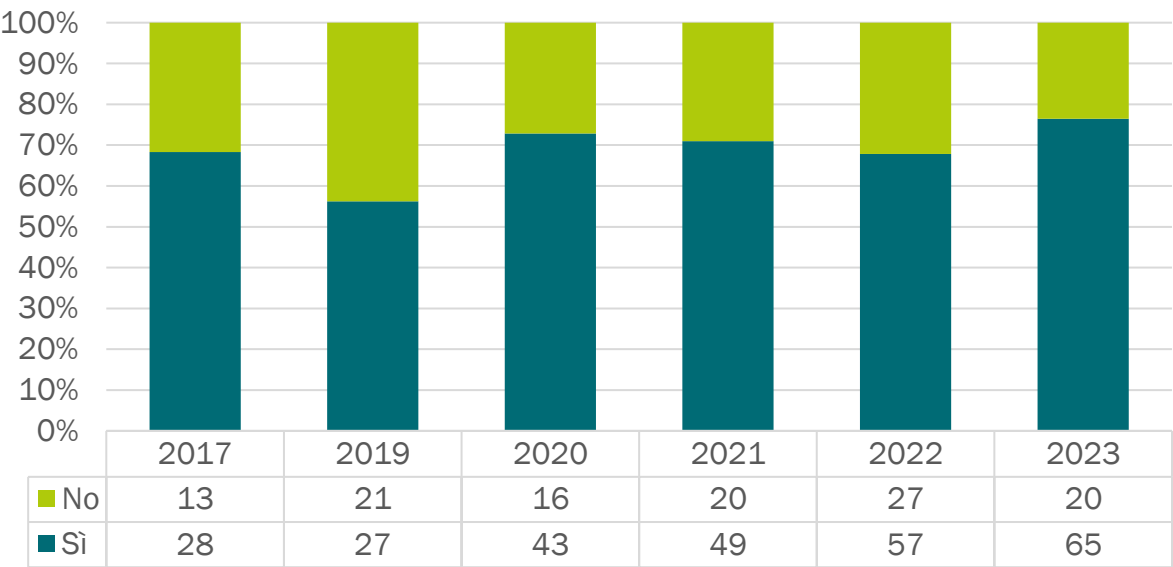

# MEASURABLE SUSTAINABILITY TARGETS

Does the University Strategic Plan include quantitative sustainability targets?

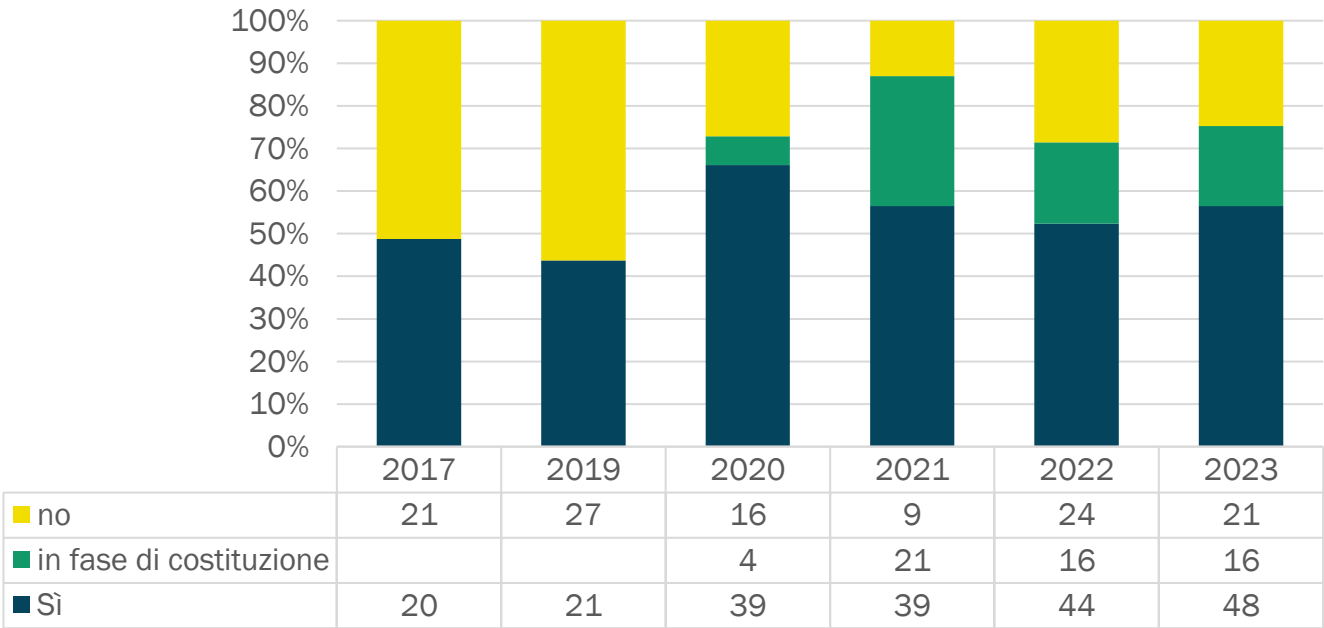

Is there a Rector’s Delegate on Sustainability issues?

Is there a dedicated sustainability organizational structure (office) at the University?

# REGIONAL SUB-NETWORK
